Vraćanje datoteka s backupa

Za vraćanje pojedinih backupiranih datoteka na poslužitelj potrebno je prvo na stranici Self-Service Backup Portal, na tabu Files kliknuti na Pick from List.

) Self-Service Backup Portal for	@srce.hr				@srce.hr 🗸 🤇 ?
Dashboard Jobs VMs	Files Items				
Search backups of: All VMs	Q Pick from List				
Type in a file name to search for	Q T No Filter Search	🖺 Restore 🗸 👱 Download	🗄 Add to Restore List	History	
Name	Size Owner	Created Re	store Point	VM Name	Path
Name To search for a file, enter a part of its nam Only backups made with the guest files indexi	Size Owner e and click "Search" ng enabled can be searched here.	Created Re	store Point	VM Name	Path
